Dear Parent/Carer

How best to support your child to meet and exceed their potential

After the rave reviews from students participating in the session delivered by 'Maximise Your Potential' at the Academy. we would like to invite all parents to attend a bespoke 1-hour webinar from the same team on Wednesday 13 October 2021 at 6:00pm.

Join the Maximize team to find out how you can best support your child to cope with the demands of secondary education. This live 60-minute webinar is a great opportunity for parents to learn about the skills their children need to succeed, not only in education, but in life beyond the classroom and how you as parents and carers can play an active role supporting them.

This session will cover:

- ✓ How to maintain motivation
- ✓ Developing independent learning
- ✓ Planning, prioritising and organisation
- ✓ Building resilience and coping with failure
- ✓ Effective study and revision techniques
- ✓ Dealing with stress and anxiety
