12 February 2021

Dear Parent/Carer

Remote Learning

I would like to thank all of the students, parents and carers for the phenomenal response to our online teaching provision during the current lockdown. It has been challenging for parents, students and staff to adapt to a wholesale change in educational delivery, but I'm so proud to stand behind a system which provides students with 6 live lessons a day, hugely reducing the disruption the students have had to their learning.

Half Term

In line with national guidance, the Academy will close for the children of critical workers and vulnerable children on Friday 12 February for the half term break. Online lessons will also not continue during this week. The Academy will reopen on Monday 22 February for the children of critical workers and vulnerable children and remote teaching will recommence. Please contact the Academy if you feel that your child might be eligible for a place and you would like them to attend.

Covid-19

If your child has been in the Academy in the week before half-term, develops Covid-19 symptoms within 48 hours of having been in the Academy and subsequently tests positive for Covid-19, please contact the Academy through enquiries@louthacademy.co.uk so that we can support the test and trace process.

Social Media Accounts

I am pleased to announce that Louth Academy now has active accounts on Facebook and Twitter. We intend to use this medium to inform Parents, Carers and local community of events at the Academy. Please follow our official accounts to receive regular updates.

Thank you for your continued support and patience at this challenging time. We will regularly update you with any relevant changes to government policy regarding educational provision and will contact you with any information regarding when the Academy will fully reopen at the earliest possible stage.

Yours faithfully

Mr P Dickinson
Principal
