Re: Year 11 Assessments and Revision Classes

Dear Year 11 student

We are pleased to welcome you all back to the Academy; it has been wonderful to see you all settling in to the new routines. We have taken the opportunity in the first few weeks to walk around the Academy and visit most of you. The atmosphere in lessons has been excellent and it is clear to us that you are all focused and showing a positive attitude to learning in this final year of your GCSEs.

In order to build up an accurate picture of your academic ability and determine how your teachers can best support you, we will be completing some internal assessments after October Half Term.

The assessments will take place in your classrooms. You will be supervised by your teachers in examination conditions to ensure full concentration and an accurate assessment.

The FROG online Learning Platform has lots of revision material and we would strongly advise you take the time to prepare for these examinations as much as possible. Please let us know as soon as possible if you are unable to use this platform and we will support you in doing so.

As part of our on-going commitment to our students, the Academy is offering additional revision classes. These classes can support coursework, classwork, or indeed serve as additional revision for students.

These classes are free of charge.

Please find enclosed a full timetable of both lunch and afterschool sessions on offer.

We hope you will choose to make full use of these revision sessions to supplement the revision they are completing at home. There is a direct correlation between attending additional revision sessions and students' final outcomes at GCSE.

Yours faithfully

Mr J W Hermiston
Assistant Principal

Mr P C Dickinson
Principal
