Dear Parent/Carer

### **Resources for Year 11 students**

Please can Parents/Carers of Year 11 students ask their children to regularly check Microsoft Teams to access a range of materials which will be uploaded on the Year 11 Team to support students. This will include transition work, assemblies, links to free qualifications and Pastoral drop in sessions.

The Academy will continue to provide support for effective student progression to the next stage of their education, including:

- Careers support will continue to be available for those students who have not yet secured a 6th form or college place, an apprenticeship or employment for next year.
- Pastoral support and advice will still be available. Should, you require any support for pastoral issues, please contact Mr Young at the Academy through [enquiries@louthacademy.co.uk](mailto:enquiries@louthacademy.co.uk).
- Transition materials will be provided to help students prepare for Post-16 pathways.

We would also strongly encourage Year 11 students to participate in the National Citizenship Scheme which runs each summer. Louth Academy students who have participated in the past have found the scheme to be hugely enjoyable and beneficial. Details can be found at: <https://wearencs.com/summer>.

Although students are no longer attending the Academy, we are committed to providing as much academic and pastoral support as possible. Please ask Year 11 students to contact the Academy if they require any help, support or advice and continue to encourage students to check Microsoft Teams for further materials until the end of term.

Yours faithfully

Mr P Dickinson  
Principal
